This is what I have as the agency letter. I believe the same letter went to all agencies.

Do either of you have a copy of the letter we received from FWS? We will have to include that in the concurrence package and I don't have a copy (before my time!). Thanks.

I spoke with Palmer this morning and we discussed his comments and FWS involvement in the watershed assessment. Here is a revision which reflects our conversation and the current situation.

Ann, Phil and Phil:

Please see my edits to the attached draft request letter from EPA to FWS. I have suggested a number of edits to paragraph 3 and have raised a few questions. Please give me a call when you have a moment to discuss.

Thanks, Palmer
